How to compute TDS, if the monthly salary income exceeds Nu.167,400

Monthly Salary after subtracting PF and GIS	XXXXXX	
(-) Subtract	125,000	
That gives you	XXXXXX	(A)
Multiply A by	30%	
Equals to	XXXXXX	(B)
Add to B	20,208	(C)
Monthly TDS to be deducted	(B) + (C)	

Instructions:

- All employers must deduct TDS as per rates given in the Schedule at the time of disbursement and deposit the same to the nearest RRCO or into a RGR account on or before the 10th of the following month.
- Where an employer is not under any legal obligation to deduct TDS from its employees, the individual that is, the employee shall be responsible for paying the tax as per rates prescribed in the schedule to the concerned RRCO on a quarterly basis.
- Failure to deduct/deposit TDS shall result in fines and penalties as per Chapter 5 of the General Provisions of the Income Tax Act of the Kingdom of Bhutan, 2001.
- For more details, see Rule No. 60(2)(b)(i) of the General Provisions.
